

# Zumba for Cancer Research

## Saturday Oct.02,2010

### Get Pink and join us to support this cause

1 in 8 women will be diagnosed with breast cancer during their lifetime.

38% of breast cancer are preventable, help us to continue the fight supporting cancer research.

**ZUMBA** combines fast and slow Latin and International rhythms that tone and sculpt the body with cardio-based movements that are easy to follow.

**Let's join the Party!**
